Attention all aspirants!!

Get ready to unleash your creativity and coding skills! We're excited to invite you to participate in the **HackAthena'24**, a 48 hour hackathon where students like you will come together to brainstorm, design, and develop innovative solutions to real-world challenges.

Here's what you can expect:

- * **Exciting Themes:** This year's hackathon themes are Road Safety and Health Tech. Put your skills to the test and develop groundbreaking projects in these areas!
- * **Collaborative Environment:** Form a team of maximum 4 members on-site. Network with fellow students, mentors, and industry professionals.
- * **Awesome Prizes:** Compete for an amazing prize pool worth 90k.(visit website for more details about prizes)
- * **Food & Fun:** We'll provide food, drinks, and plenty of fun activities throughout the event to keep you energized and inspired.

No matter your skill level, from beginner coder to seasoned developer, we encourage you to participate!

Here are the key details:

- * **Dates:** 06 April 2024 - 08 April 2024
- * **Location:** Jyothi Engineering College, Cheruthuruthy, Thrissur, Kerala
- * **Register by 16 March 2024**

* **Website Link:** <https://hackathena24.vercel.app/>

* **Registration Link:** <https://hackathena-2.devfolio.co/>

Don't miss this amazing opportunity. We can't wait to see your innovative ideas come to life!

See you there!
